members of the church of jesus christ of latter day saints tend to see the book of mormon

through the lens of personal use as a single textual and scriptural monolith the book of mormon that is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration in the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the book of mormon is a mortal reality the book of mormon while it has a spirit also has a mortal body or rather bodies existing in space and time as such it has a history and because it comes to us in the form of a book it also has a book history this study is divided into three parts the first part is a straightforward history of the edition s editing production and manufacturing processes it examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format the narrative crowded into chapters one through four together leave part ii to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles the details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in part iii together resolve once and for all the question of what constitutes the 1920 edition and what does not

writing a 588 page book of your own creation would be a hard task to complete in 85 days especially one as complex consistent original historical accurate and profound as the book of mormon when you read could you write a book comparable to the book of mormon your mind will be opened to the many challenges that joseph smith would have faced in writing this intricate book if he was indeed the author it is my hope that you will be left with no other conclusion than the book of mormon was translated by divine intervention that no man could have invented such a book under those conditions and that joseph smith truly was chosen by god to translate this ancient book of scripture

considered an expert about the book of enoch dr randy delp has put together an analysis of this ancient book to explain why jesus and the new testament writers were not only influenced by the book of enoch they quoted its contents cited its texts and labeled it scripture the teachings of enoch have influenced every major monotheistic religion including islam judaism christianity and zoroastrianism and vestiges can be found in hinduism and other ancient religions the footprints of his teachings are seen throughout every generation and the finality of his message has yet to be fulfilled enochs influence in astronomy history religion education and para psychology has forged how society thinks today it is significant to note that the prophet named enoch who was born seven generations after adam and eve may be the only person in history who has had a positive effect on every major and minor religion while nothing negative is ever spoken about him
