the fire in me now tackles human imperfections head on and with great energy in a forthright at times angry and always eloquent series of poems michael curtis takes us from managed rage through moving reflections on mortality and wry observations on the complications of love to a hard won uncompromising state of acceptance in a world of continuing conflict rampant technology and challenged values the fire in me now is a powerful telling collection which responds with articulate urgency to our current condition michael curtis grew up in liverpool attended oxford and sheffield universities has worked in library and cultural services literature development and events management and lives in kent he is widely published in magazines and anthologies and has given readings and workshops in england ireland the isle of man belgium france finland germany latvia and the un buffer zone cyprus he was writer in residence for the arts council england great expectations conference the metropole arts centre folkestone the maison de poesie nord pas de calais in france and the

writers and translators house ventspils latvia his work has been studied and translated at the universities of liege bucharest and munich and broadcast on radio in england ireland romania and latvia horizon his eleventh collection of poems was set on the isle of man and launched at the first manx litfest in 2012

the philosophy of politics this carefully selected compilation of the significant writings of the great political philosophers scientists and thinkers will be an invaluable guide to the general reader as well as to the serious student of history political science and government such essential forces as revolution romanticism marxism anarchy utilitarianism theology idealism and nationalism are examined in detail and expounded by their leading exponents professor curtis has written running commentary that places the extracts and their authors in the sequence of modern history and newly added for this edition are studies of selected works by john stuart mill alexander Herzen antonio Gramsci sebastian de Grazia and john Rawls also new are a table of contents and an updated comprehensive bibliography each clear and concise for easy reference together with the first volume also available in a discus edition which covers political thought from plato and aristotle to locke and montesquieu the great political theories offers an unparalleled view of political thought in western civilization

the third republic of france was characterized by weak and short term governments this book is a study of three writers georges Sorel Maurice Barres and Charles Maurras their writings in the years between 1885 and 1914 and their reactions to the deficiencies they saw in the third republic and in the system of french democracy the study begins in 1885 with the appearance of certain new political factors it ends in 1914 because the three writers had by this time completed their original contributions to the thought of the country even if not their total impact on france a relative position of each of these figures in the french political spectrum is deduced from a combination of attitudes toward a number of issues these include the extent of economic and social reform centralization of the power of the state the nature of the parliamentary system the desirability of political parties the relation of church and state the responsibility of authority the use of force or coercion and national power versus international collaboration their views span the political spectrum Sorel Barres and Maurras are important not only because they provided the chief ideological weapons for the attack on the regime but also in a wider context because they contribute significantly to understanding of a later period of european political history in their contemporary significance all three illustrated the various attitudes of the conservative the reactionary and the moralist the names and parties may have changed but the same ideas continue to impact french politics and western ideology today this is a key book for an epoch whose importance lingers in current discourse

the crestwood heights apartment complex plays host to some of the more seedier elements that chicago has to offer the cracks and crevasses between the buildings are a breeding ground for prostitution drug addiction and the mediums who profit from such decay it also happens to be the place jasmine fisher calls home trapped in its world of over indulgence and self destruction its all she can do to keep her sanity and hold on to what passes as her life while struggling to break free from the hold that the dark corridors and crime ridden alleyways of crestwood heights has on her with no father in the house a kid sister looking to head down the same decrepit path that engulfed her and a mother who barely scraped by with enough money to keep them living in the cramped one bedroom apartment jasmine was left with no other decision but to take it upon herself to secure a way out of this wasteland jasmine adapted to life there quite easily after hooking up with a variant of unfaithful boyfriends that ranged in economic value to everything from drug addicts to fake wannabe ballers she finally came to the realization that if she was going to make it off the streets of crestwood heights then she was going to have to do it on her own when she hooked up with curtis jasmine didnt know if it would improve her situation or seal her fate a petty criminal by trade curtis had access to certain resources that she was going to find useful in her venture as they waded through the decadence together it was a union that proved to be most profitable but the effect that he would have on her life was something neither of them expected

for more than half a century geoffrey goodman was one of fleet street s foremost political and industrial reporters this book is his record of what it was like to work at the heart of british politics taking us through the years that followed the end of world war ii up to the present day he offers a compelling story of the characters and events that shaped british political history goodman s portraits include many of the political giants of the twentieth century as a close friend of the great socialist aneurin bevan he is able to reveal the philosophy and drive of the man who goodman also offers a behind the scenes account of labour prime ministers harold wilson and james callaghan and brings to light new reasons why wilson suspected the security agencies of trying to destabilise his government other portraits include michael foot harold macmillan edward heath willie whitelaw margaret thatcher rupert murdoch and hugh cudlipp

the rough and tumble world of nineteenth century new orleans was a sanitation night mare with the city s many slaughterhouses dumping animal remains into neighboring backwaters when louisiana finally authorized a monopoly slaughterhouse to bring about sanitation reform many butchers felt disenfranchised from their livelihoods framing their case as an infringement of fundamental rights protected by the new amendment they flooded the lower courts with nearly 300 suits the surviving cases that reached the u s supreme court pitted the butchers right to labor against the state s

police power to regulate public health the result was a controversial and long debated decision that for the first time addressed the meaning the import of the fourteenth amendment
